16	Before final notification can be issued pattalands, if any, should vest in Government. S.No. 72 and 73 are Patta lands. It is not clear from the records whether those lands vested in Government under section 9 or section 10(b) or 10(c) of the Act. A clear finding how the title of the owner extinguished is necessary.
17	From the statement at page 7 c/f, it appears that the Forest Settlement Officer has not given any notice to the Pattadars presumably because the Act does not contemplate any such notice. But since the Act is subject to the provisions of the Constitution, in order to satisfy the principles of natural justice, notice had to be given to the holders of the patta.
18	The Forest Settlement Officer may take fresh action after notice to the parties interested in the lands and give a clear finding how the title of the owner is extinguished.

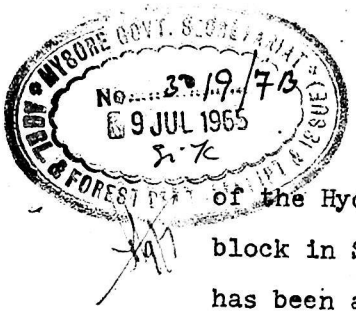
Sir,



Sub:-Draft Notification under Section 19 of the Hyderabad Forest Act in respect of Khandrainpalli block in Sedam Taluk - Gulbarga District.

- - - -

I enclose herewith draft notification under Section 19 of the Hyderabad Forest Act in respect of Khandrainapalli block in Sedam Taluk of the Gulbarga District. The proposal has been approved by the Deputy Commissioner Gulbarga and a copy of his letter is enclosed herewith. It is reported by the Forest Settlement Officer, Gulbarga in Statement 'C' that all the events specified in Clauses (a) to (c) of Section 19(1) of the Hyderabad Forest Act have been completed.

Government may therefore, kindly be moved to issue the above draft notification for Publication of the same in the Mysore Gazette with instructions to the Compiler of the Gazette to supply 100 copies of the printed notification to the Divisional Forest Officer Gulbarga for wide Publicity.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS.

N.

Proceding of the Forest settlement officer Gulbargaon the representation of shri. Tammappa s/O Ashappa Kurg land holder of sy.no. of village Khandrayanpalli Tq.Sedam Dist. Gulbarga His application dated:- 26.2.1964.

O R D E R

To day on 5.5.1964 his file is submitted for the decition on the representation on shri. Tammappa s/o Ashappa Kurg land holder of sy.no. 70 measuring 8 acres of village Khandrannalli Tq. Sedam Dist Gulbarga regarding his request not to include his land in the proposed reserved forest block. As this land is stated to be the only sourse of his lively hood with six dependents. This application was reffered to the Divisional forest officer Gulbarga on.26.2.1964 for his comments. I regret to note that as in many other cases in which his comments has been called for, he has failed to send his remarks in this case as well up till now these delays have been hampering the progress of the work of this office. With these from remarks I proceed to decide this representation on the bases of my first hand knowledge of the conditions prevailing on the spot. I have inspected the site in the course of my last visit to the Sedam Tq, on 9th and 10th of March 1964. I have found that this particular land is situated on the border of the proposed forest block and is located on the border of village Nibbanpalli, on one side and village Khandranpalli on the other side. Although there seems to some forest growth in one portion of the land, the nature of the soil seems to be more furtile for food grain crop such as Jowar, groundnuts, and etc. From local enquiry I came to know that shri. Tammappa the applicant who is Harijan by cast has a big family to maintain. He has also all together 13 acres of lands which includes 8 acres of the sy.no.70 This means that he has to live on the produce of these 13 acres only. If out of these 13 acres this land is taken away from him he will be having only 5 acres of land to maintain his livelyhood, which in my openion is almost impossible to task. There is on any cultivable Govt. land in this village or in the surrounding villages out of which some land can be allotted to him in exchange of this land.

On the other hand if this land is not included in the proposed reserved forest there will be no loss to the Department and there will be no practial difficulty as this land is situated on the border of the proposed forest block.

In view of all these circumstances I order under the powers vested in me by virtue of section 10(1)(A) that the land bearing sy.no 70 of village Khandrayanpalli Tq, Sedam Dist. Gulbarga which was origionaly proposed to be included in the reserved forest block Khandrayanpalli under Yader Range be excluded from the limits of the proposed reserved forest. Suitable changes may be effected in the draft notification to be prepared under section 19 of the Hyd, Forest Act in the light of this order.

Pronounced in the open court to day on 5th May 1964.

To, The C.C.F; Bangalore.

Sir,

In returning herewith the draft Notification submitted by you under your letter No. B 6-17-1571/57 dt. 13-4-66, on the above subject, I am directed to state as follows.

Before final notification can be issued, patta lands, if any, should vest in Govt. S. Nos. 72 and 73 are Patta Lands. It is not clear from the records whether those lands vested in Govt. under Sec. 9 or Section 10 (b) or 10 (c) of the Act. A clear finding how the title of the owner extinguished is necessary.

ISSUED
Date 12-2-1966

From the statement (enclosed herewith), it appears that the Forest Settlement Officer has not given any notice to the Pattadars presumably because the Act does not contemplate any such notice.

But since the Act is subject to the provisions of the Constitution, in order to satisfy the principles of natural justice, notice had to be given to the holders of the ~~the~~ patta.

The Forest Settlement officer may take fresh action after notice to the parties interested in the lands and give a clear finding how the title of the owner is extinguished.

The ~~Notiff~~ Notification and the statement may be returned with the above ~~information~~ further action
